

Six Apostolic Activities in the Book of ACTS

Key Apostolic Activities Start Disciple Making Movements.

- These apostolic activities establish people as disciples of Jesus.
- These activities establish movements of Churches / Gatherings.

Example: Acts 11:19-26. Acts 14:1-7 + 14:21-23 is one story in two parts, with all six activities happening.

1. Pray and Go

- Where will you go? Be specific. Think, pray, and plan really BIG.
- The harvest is ripe. The Kingdom is here.

2. Spread Good News

- Share your testimony. Share the Good News.
- Heal the sick, cast out demons. Demonstrate that the Kingdom has come.

3. Believe and Baptise

- Lead people to believe and baptise them. Local people begin to lead others to Christ and baptise them.

4. Disciple

- Train new believers to share with others, gather others, and make other disciples. Discipling in groups is the beginning of forming a Church / Gathering.

5. Gather

- Gathering and Discipling work together. One serves the other.
- Networks of Churches/ Gatherings are formed. This multiplies leaders.

6. Multiply Leaders and Churches

- Give responsibility. Choose fruitful and teachable people according to the 2 Tim 2:2 principle.
- Encourage community engagement in all spheres of life.
