

Skill 1 and 2

For One Field One Goal

Skill 1 - Get Connected John 4:7-9

Connect Relationally. People are Not a Target.

- a) Talk to anyone, don't choose.
 - Strangers, acquaintances, family, friends, co-workers.
 - Talk about spiritual things (John 4:10-15).
 - You do not know who will be open.
- b) Pray for open doors. Col. 4:2-4. Eph. 6:18-20. 2Thess 3:1.
 - Sincerely love people and serve them.
 - Demonstrate that the Kingdom has come.
Heal the sick, cast out demons.
 - This will help you know if they are open.
- c) Don't take months or years in only building friendship, then to find out someone is not open to the Gospel or spiritual things. Keep the friendship, but find someone else.

ACTIVITY: List now **where** and **who** you will visit and share with.

Skill 2 - My Story John 4:39 The woman's testimony.

Share freely what the Lord has done in your life, or someone else's life.

1Peter 3:15. Do this with 3 clear parts. **Before. When. Now.**

- a) Your story needs to be **true – don't add to it**.
Be sensitive to the culture.
 - **BEFORE** - Before you came to know Jesus, OR before He did something important in your life after salvation.
 - **WHEN** – When did this happened. What were the circumstances?
 - **NOW** – Describe how has your life changed and what is different now?
- b) Use Questions
 - Has anything like this ever happened to you?
 - Have you ever heard a story like that before?
 - Or, Can I tell you more?
 - Acts 26:27-28. Paul uses a question to stir faith.
