b) **Apostle Paul's secret key to multiplication.**

Paul chose and disciplined Timothy,
Timothy taught & disciplined "capable people",
and they were able to train and disciple many "others".

These activities lead to HUGE multiplication when **done consistently**.

ACTIVITY Acts 19:9-10.

What do you think Paul did for two years? Discuss this together.

c) **Look for people to Mentor, to Train and Disciple → Choose them.**

Jesus chose people to train and mentor. Mark 3:13-14

Pray, choose, train others, so they can do the same with the next generation.

- The 3 Parts Pattern will help you do this. 

e) **Multiplication by training and modelling to capable people.**

- In 2Tim 1:13 and 2Tim 3:10+14 Paul is a model to Timothy, so Timothy can be a model to others. 1Cor 4:16-17.
